

## Themes

### Synergies + Collaboration

- To improve Continuum of care
- Find what we do well - Do more
- Education/Awareness - Cross Sectors
- Collaboration vs. Competition, “we’re going to need each other”
- Healthcentric vs Carecentric
- Measuring what? What do we do with it all?
- Work smarter / cleaner
- Who’s missing?
  - RSN
  - Dental
  - FQHN
  - Payers
  - Employees
  - State Medicaid
  - Patient Advocacy Community
- Emtala (Emergency Medical Treatment and Labor Act ) Rule?  
Barrier
- Transporting patients to outpatient settings
- Intervention / Diversion for substance abusers
- Better communication across sectors
- Preventative planning vs emergent care planning
- Chelan County's suicide rate in the last two years has averaged nearly 25 per 100,000
- Feasible business proposition needed
- Focus on the real cost, “what’s in our wallets”
